

JOIN Patch Elementary School PTA
everychild. onevoice.

What is the PTA? Patch's Parent Teacher Association is an active volunteer organization that brings fun events and educational enrichment to our students – accelerated reader, spelling bee, math superstars, reflections art program, book fairs & clubs, used book sale, after schools clubs, sock hop, themed dances, contest parties, story nights, funding for teachers and learning materials, emergency preparedness, parent education lectures, mentorship program, special cultural events and more!

Your membership and participation will help support these activities and help make Patch Elementary a very special place for our children. This year, we are setting a goal of 100% PTA membership – that is, one adult member for every child in Patch Elementary. Why? Because these kids are worth the investment and a strong PTA membership illustrates our community's support of schools and children. THANK YOU FOR YOUR SUPPORT!
