

All entries must strictly adhere to the stated guidelines for each category or they will not be permitted in the official judging process.

Extra tips to note:

- Student entry forms must be legible and completely filled out in ink.
- Parent and/or guardian signature must be on each entry form as well as student signature.
- Each work of art should have a Title of Work or be listed as Untitled.
- Each entry must have an Artist Statement.
- Students may not work as a team to submit one entry together. One student = one entry.
- Please see the General Student Participation Rules in addition to the category rules for completed details and guidelines.
